

KANDA OPTICAL

Public Notice for COVID-19 : TEMPORARY STORE CLOSURE

Dear Clients,

Due to these uncertain times where public safety is our utmost priority, Kanda Optical has decided to **temporarily close all retail and manufacturing facilities** as of Monday, March 23rd, 2020 until future notice.

As per the Ministry of Health, all health care providers in Ontario are asked to cease all non-essential & elective services. The pandemic referred to as Covid-19 presents an unsafe environment for our staff, customers, and their families.

Isolation is a key factor in helping to overcome this pandemic. If we as a community can work together in solidarity, we can overcome this pandemic together.

For any **eyewear related emergency** cases where immediate attention is needed, we ask you to please email us at info@kandaoptical.com or call (416) 882-3399.

Our team will be closely monitoring updates from the Ministry of Health and the Government of Canada and will re-open all retail & manufacturing operations as soon as it is safe to.

For all other updates, please visit www.kandaoptical.com.

We truly appreciate your understanding during this challenging time and thank you for your continued support.

Kanda Optical wishes you and your family to stay safe and healthy.

Sincerely,

Ashwani Kanda
